Intern Offer Letter

Dear Miss. Pradnya Prabhakar Powar

Electronics and Tele-communication

B-Tech (Final Year)

We would like to congratulate you on being selected for the Embedded Systems Internship position with PIYU SYSTEMS effective from the Month January 2023 to April 2023. All of us at PIYU SYSTEMS are excited that you will be joining our team!

As we discussed during the interview process that is non-paid academic internship during which you will be expected to provide 5 Hours (10:00 AM to 3:00 PM) per day per week for 15 Weeks under the guidance of Mr. Arvind Mali Sir and Mr. Karan Bawadekar Sir. (Excluding holidays).

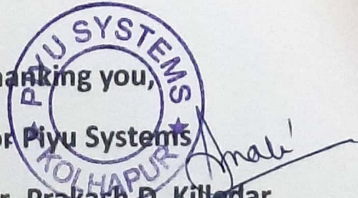

This internship is viewed by PIYU SYSTEMS as being an educational opportunity for you rather than a part time job. As such, your internship will include training orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class. After completion of this internship period, you have to submit detailed paperwork report of training.

Again, congratulations and we look forward to working with you this coming year.

Thanking you,

For PiYu Systems

Mr. Prakash D. Killedar

Everything in Process Control Automation

Thermowells	Sensors	Proximity Swithes	PID Controllers	PLC/SCADA/HMI	AC/DC Drives
Autocane feed systems	Auto Imbibition system	Boiler Automation	PRDS	C/F Automation	Flow Meters
